The Cathedral Quarter has a fantastic array of award-winning establishments with something to suit every palate and budget.

From a tasty brunch to a working lunch, there are cafes, delis and coffee shops in abundance for daytime visitors and those working in the area.

As dusk settles, the area swaps its relaxed and gentle pace for a vibrant evening economy, providing the visitor with a diverse range of options for a memorable night out.

The Cathedral Quarter has an eclectic mix of bars and nightclubs with a venue to suit all tastes and moods. For ale enthusiasts, there is a vast choice of establishments, leading the Lonely Planet guide to declare the city as the 'real ale capital of the world'. Specialist bars abound in the area with

venues specialising in wine, spirits, cocktails and champagne making the decision on where to go a difficult choice.

Away from the pubs, bars and clubs you will find some fantastic venues in which to enjoy a film, exhibition or show whilst close proximity to the bus station, car parks and taxi ranks ensure your journey home will be a pleasant experience.

We look forward to welcoming you to the award winning Cathedral Quarter – winner of the ATCM National BID of the Year and voted 'Best City Location' at the Great British High Street Awards in 2016.

#### Warm & Spicy Lentil Dal Soup

##### Ingredients:

500g lentils  
teaspoon cumin seeds  
2 tbsp cumin powder  
2 tbsp coriander power  
2 tbsp turmeric power  
2 large onions  
1/2 Inch ginger

- Place the lentils into a pan with a vegetable stock cube. Cover with water and cook until lentils are soft and fluffy, around 30 minutes

- Warm all the spices in a pan for 2 minutes
- Add the diced onions and cook for 5 minutes on a low heat or until soft
- Add the diced garlic and ginger and cook for a further 3 minutes. When the mix is soft and fragrant add spiced onion mix to the lentils and stir through
- Add lemon juice, vinegar and parsley
- Simmer for 15 minutes, ensuring that the lentils aren't sticking to the bottom of the pan
- Blend until smooth. If very thick add more stock while on a low heat
- Add salt and pepper to taste

Best eaten the following day as the flavours develop.
