# Fifteen years of Derby's Cathedral Quarter

## - The Historical Heart of the City

The Cathedral Quarter Business Improvement (BID) was created in 2007 following a need from businesses to create a defined area which could be marketed as an alternative destination to that of the newly built Westfield Centre.

15 years later, and now moving into our fourth five-year term, the businesses that reside in the Cathedral Quarter have voted once again to continue to be a collective, paying a levy each year to fund the activities of the BID and bringing events and initiatives to the area to make it a more entertaining and pleasant area for all to work, rest and play.

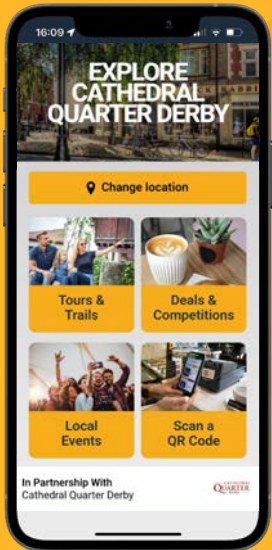

This summer we see the return of **'Celebrate Sadler Gate'** (1 July), a business community led day of fun, and of course the roar-some dino-fest **'A Jurassic Day out in Cathedral Quarter'** (22 July), and the **Cathedral Quarter Carnival Day** (19 August) all of which are completely **FREE** to attend.

We welcome you to join us this summer and explore the businesses that work together to make our area an entertaining place for all to visit.

# LoyalFree

The Cathedral Quarter Business Improvement District (BID) has teamed up with the no.1 place promotion app 'LoyalFree' to bring you offers, deals and events at your fingertips!

The app, which can be downloaded from your smart-phones app store, allows you to see all the local businesses in the area that are offering special discounts, loyalty schemes and more whilst you shop.

With over 50 businesses in the Cathedral Quarter signed up to the scheme, you can save money on food and drink, hair and beauty, fashion and much more!

The **LoyalFree app** also features a number of trails for you to follow, enabling you to discover hidden gems that you may not know of, such as the **'Cocktail Trail'** – seeking out the best in mixology in the city, or the **'Dog Friendly'** trail, showing all the businesses that will welcome your beloved pooch!

You will also find a whole host of events listed within the app, meaning you don't miss out on some great nights in the city centre!
